## Career Objectives

I am seeking a challenging career where I can use my knowledge, skills and abilities at their best potential way. As an enthusiastic Computer Engineer, I want to utilize my skills in designing and troubleshooting both hardware and software problems. I want to put my experience and training to work for the organization, helping to maintain an efficient, professional career by providing the best possible service.

## Technical Skills

Category	Skills
Networking	CCNA, Firewall, IOS model, TCP-IP Model, Networking Ports, Types of Networks, IP Routing & Switches, DHCP, DNS, Types of Protocols, Networking commands, Palo Alto, IPv4-IPv6, OSPF, IPsec, SSH, SSL/TLS, SNMP
Tools and Products	Packet Tracer Wire Shark Code Repository : Github Agile Tools : Jira MS-Office
Splunk	Splunk Enterprise 9.0.1 Splunk installation, Knowledge objects, SPL (Search Processing Language), Reports, Alerts, Dashboards, Field Extractions, Lookups, Data Models, Splunk Configuration Files
Databases	My SQL
Hardware	Installation, Configuration & Troubleshooting
Operating Systems	Windows, Linux

## Certifications

- Computer Hardware Basics badge from Cisco networking academy
- NDX Linux unhatched certification from Cisco networking academy
- Splunk certificate from udemy. (beginner to architect)
- Internship certificate from Truscale solutions

## Education

- **B.Tech in Computer Science & Engineering, 2019-2023**  
ST.John's College of Engineering & Technology – 6.9 CGPA
- **Secondary School, 2017-2019**  
Narayana Junior College, Yemmiganur – 7.93 CGPA
- **S.S.C, 2017**  
Good Shepherd English Medium High School, Yemmiganur – 8.8 CGPA

## Project

### Missing Child Identification System Using Deep Learning and Multiclass SVM - 2023

The project aims at finding the missing person who has been kidnapped, ran away from their homes or has been lost. Previous project had some limitations which we have modified and had more success rate as compared to the earlier one. The motive is to reduce the child abduction and to find an easier way to reduce all the kidnapped children's by sending messages.

## Achievements

- Won Kabaddi matches in school competition.
- Participated in Eenadu Drawing competition.
- Participated in Zonal in Shotput.
- Participated in Zonal in Football.

## Interests

- Riding Bikes
- Sports
- Travelling
- Reading

## Personal Details

Name	:	D.Shashavali
Date of Birth	:	18-06-2002
Religion	:	Islam
